The following proposal has been prepared for Eden Lutheran Church by Vazquez Security Solutions, Inc to provide unarmed uniformed security at 4725 Brockton Avenue in Riverside.

Vazquez Security will provide a security officer to maintain a security presence for a two year period. The church will require one officer for one hour during the work week. The work schedule will be from 6:00 AM to 7:00 AM, Monday thru Friday. The officer will patrol the preschool and surrounding student drop-off area on foot. No patrol vehicle will be necessary.

Vazquez Security has been in the security industry since 2007. During the seven years of operation, Vazquez Security has provided security officers to construction sites, retail locations, financial institutions and property management locations. Each officer on staff has a valid Security Guard License issued by the Bureau of Security and Investigative Services, a branch of the California Department of Consumer Affairs.

The proposed rate is \$23.00 per day. Due to the single service hour, overtime is not anticipated. The rate is only applicable to this proposal. If more hours are required, a new proposal will be drafted.

Vazquez Security is committed to providing high quality and cost-effective security services. We are a customer-oriented business built on the hard work of our team to meet our commitments and goals.
