Dear Members-

Eden will hold a special congregational meeting on September 25, 2011 to discuss and vote on the call and compensation package for Linda Brown, the candidate recommended by council to serve as our interim. Please make every effort to join us for worship and the meeting which will follow immediately afterward.

Linda Brown is a second career pastor who recently graduated from Gettysburg Seminary in Pennsylvania. She was one of only a few graduates to complete specialized training in mission development. This means she is well qualified to join a congregation that needs some help identifying its mission, purpose and direction in the greater church. After 123 years, council believes this would be a good process for Eden to consider. We are working with Linda to produce a vitae of her background and experience, with the goal of making it available by Sunday, September 18<sup>th</sup>.

May God be with each of us as we continue on this journey together, and as we wait to see what He has in mind for Eden during the next 123 years.

iHg,

Steve Anderson  
Council President
